**FOREWORD**

*Journal of Community Service for Health (JCSH)* is a newly launched, peer reviewed, open access academic journal which comprises the the results of community service conducted by lecturers or public servants based on their competence. By publishing high-quality and novel articles in a wide range of categories, this journal is dedicated to expanding and evolving the knowledge of community services. Lecturers or public servant will be able to obtain valuable information and innovative ideas from JCSH articles. The mission of *JCSH* is to provide readers, lecturers, and public servants with a reliable source of information relevant to current developments and discoveries of community service. The journal also acts as a forum for exchanging interdisciplinary scientific knowledge from professional and an educational point of view. *JCSH* emphasizes the importance of the worldwide collaboration and cooperation in various fields of community service especially in health. The topics covered in this journal include all of the community service which is relevant to health. Any types of manuscripts submission of community service reports are all welcomed.

We are deeply grateful to all of the authors for their excellent works and remarkable contributions. Each issue offers useful reports and articles to the readers. We encourage both lecturers and public servants to submit manuscripts on the report of the community service. We are looking forward to receive extraordinary manuscripts and to promote the development in the cutting-edge of community services.

Blitar, May 2023

Wahyu Wibisono, S.S., M.Pd., M.A.
